Re: Freedom of Information Act Request 20-060-064

Dear Ms. Siska,

On behalf of the Civilian Office of Police Accountability (COPA), I am responding to your Freedom of Information Act (FOIA) request, received by this office on February 18, 2020, in which you sought the following public records:

All video and audio recordings of any kind of Sgt. Khalil Muhammad's August 13, 2017 off duty shooting of unarmed teenager Ricardo "Ricky" Hayes in the Morgan Park neighborhood of Chicago (the "Incident") – Chicago Police Board Case #19 PB 2956, which consists of video and audio recordings, documents regarding the "Incident", the plea agreement, the Board's decision, , COPA's summary and findings about the incident, electronic communications, all policies, procedures, regulations, guidelines, rules, protocols, legislation, ordinances, or laws (official or unofficial, biding or non-binding) that guide, authorize, explain or details. . . .

Your request is burdensome as written. 5 ILCS 140/3(f) does not require a public body to comply with requests that are unduly burdensome. Please refine and re-submit your request so that we may produce responsive documents. To assist you in doing so, we are producing the attachment lists for Log Number 1086285, which is related to Chicago Police Board Case #19 PB 2956. Please review this list and notify us of which attachments are of interest to you. We will review your request and produce the documents we are able to without unduly burdening our operations.

To the extent that you consider this a denial of your FOIA request, you have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 South Second Street, Springfield, Illinois 62706 or by telephone at (217) 558-0486. You may also seek judicial review of denial under 5 ILCS 140/11 of FOIA.

Sincerely,

A handwritten signature in blue ink that reads 'Tyra Sherese Peterson'.

Paralegal II/FOIA Officer
